You've got to be in it to win it

Nominations close Friday March 15 (tomorrow) for the 2024 Edisons Awards to be held as part of CommsDay Summit on April 30: open to all eligible telecom firms. Categories include: best marketing; best sustainability initiative; best competitive fibre access network operator; best long haul fibre network operator; best use of AI; best VNO, best mobile network initiative; best enterprise telco, best wholesale telco and best fixed broadband retailer. We are also accepting nominations for the CommsDay Hall of Fame.

Nomination forms are available on the home page of the CommsDay website.

Table and individual ticket sales begin next week and will be promoted here. Your MC is veteran broadcaster Tim Webster.
